IMPORTANT: The attached card contains your registration number and is proof of your authorization to do business in Oklahoma as a Roofing Contractor.

You are responsible for complying with the Roofing Contractor Registration Act (59 O.S. § 1151.1, *et seq.*) and the Roofing Contractor Registration Regulations (OAC 158:85). You may view these, as well as other helpful information, on the CIB web page at: www.cib.ok.gov.

Pursuant to 59 O.S. 1151.5(G) your registration and endorsement will be classified as not in good standing if you fail to maintain liability insurance coverage and worker's compensation coverage. The registrar must receive proof of insurance and workers compensation prior to restoring the registration and endorsement.

As a registered roofing contractor, you are required to display your CIB issued roofing contractor registration number and indication of commercial endorsement (issued pursuant to the Roofing Contractor Registration Act) at job sites and on vehicles, business signs and cards, correspondence, all media containing the registrant's name, and contracts used to solicit and conduct roofing services in this state. Rubber stamping your registration number/commercial endorsement on your cards, correspondence, and other documents will be sufficient while you use existing printed material.

Some Oklahoma municipal and county jurisdictions require a permit for roofing work and may ask for your roofing contractor registration number when you apply for their permit.
