RE: Exemption from Worker's Compensation Insurance

## To Whom It May Concern

I am writing on behalf of Cheston Builders LLC, a single-member limited liability company (LLC) operating in New Jersey, to claim an exemption from the requirement to provide Worker's Compensation Insurance.

Cheston Builders LLC does not require Worker's Compensation Insurance because it is a single-member LLC with no employees. All work is performed solely by the owner, without any subcontractors or hired labor. As such, under New Jersey state law, we are exempt from carrying this coverage.

We confirm that there are no employees subject to Worker's Compensation laws, and the business operates in full compliance with all applicable regulations regarding insurance exemptions.

If you require any additional information or documentation to support this exemption, please do not hesitate to contact me at 551 444 8833 or chestonbuilders@gmail.com

Sincerely,  
Cheston Builders, LLC
